Letter from the Chair to the Members

27 March 2023

Dear Member,

I am writing to inform you that the forthcoming annual general meeting of Dalata Hotel Group p.l.c. (the "Company") will be held at 11.30 a.m. on Thursday, 27 April 2023 at The Gibson Hotel, Point Square, North Dock, Dublin, D01 X2P2, Ireland ("AGM").

A year ago, I wrote of the challenges of 2021 and of the tentative feeling of optimism that we were experiencing then, as the worst effects of Covid-19 began to recede. At that time of global geopolitical and economic uncertainty, the future was unclear, but we believed that the return of activity in our key markets would allow us to plot a gradual course back to the levels of success we had enjoyed before the pandemic.

As it transpired, our performance in 2022 exceeded even the most optimistic of expectations. The priorities that we adopted during the pandemic – to protect our people, our culture, our business and our cash – paid dividends.

As a consequence, 2022 was a very successful year for the business. We reached a number of milestones during the year, including opening our fiftieth hotel and surpassing €500 million in revenue. In addition, under the leadership of CEO Dermot Crowley, increased emphasis on the importance of marketing and innovation in our business provided very valuable support to our teams in our hotel properties.

Importantly, our success was also reflected in very positive feedback obtained through regular surveys of our customers and of our own people. You will find the Notice of the AGM on pages 4 to 6 of this document and I am pleased to enclose

- ↳ a copy of the Company's Annual Report and Financial Statements for the year ended 31 December 2022 (the "2022 Annual Report"), which is also available to view and download at www.dalatahotelgroup.com, and
- ↳ a Form of Proxy and Attendance Card for the AGM.

Business to be considered at the AGM

Note: Unless the context otherwise requires, references to information provided as at "5 p.m. on 24 March 2023" are to that time being the latest practicable time and date for that information prior to the issue of this letter.

Resolutions 1 to 6 of the Notice of AGM are proposed as ordinary resolutions.

Resolution 1: Annual Report and Financial Statements

Resolution 1 is asking members to receive and consider the Annual Report and Financial Statements of the Company for the year ended 31 December 2022, together with the reports of the Directors and the Auditors and a review of the affairs of the Company.

This Resolution is an advisory resolution and is not binding on the Company.

Resolution 2: Directors' report on remuneration

Resolution 2 is asking members to receive and consider the Directors' Report on Remuneration as set out in the Board of Directors section of the 2022 Annual Report.

This Resolution is an advisory resolution and is not binding on the Company.

Resolution 3: Remuneration Policy

In accordance with the EU Shareholder Rights Directive, Resolution 3 is asking members to receive and consider the Company's Remuneration Policy adopted by the Board on 27 February 2023, a copy of which is set out in the Remuneration Committee Report Section of the 2022 Annual Report.

This Resolution is an advisory resolution and is not binding on the Company.

Resolution 4: Re-appointment of Directors

Resolution 4 deals with the re-appointment of Directors. The Company's constitution requires that at least one third of Directors shall retire by rotation at the Company's AGM each year. However, in accordance with the UK Corporate Governance Code, each of the current Directors will retire from office at the end of the AGM and will offer themselves for re-appointment.

Biographies of each of the Directors who are offering themselves for re-appointment at the AGM together with a description of their skills, expertise and experience are set out in the Board of Directors Section of the 2022 Annual Report.

The contribution that each of the Directors brings to the Board and the long-term success of the Company is also described in detail in the Annual Report. The re-appointment of each Director will be considered as a separate ordinary resolution.

The Board regularly reviews the performance of Directors and is satisfied that all Directors proposed for re-appointment continue to perform effectively and to demonstrate commitment to their respective roles.

Resolution 5: Remuneration of the Auditors

Resolution 5 is asking members to authorise the Directors to determine the remuneration of the Company's Auditors.

Resolution 6: Authority to allot shares

Resolution 6 seeks to renew the authority of the Directors to allot shares. The Investment Association generally supports resolutions seeking authority to allot up to 66.66% of a company's issued share capital (excluding treasury shares) of which any allotment in excess of 33.33% of the issued share capital (excluding treasury shares) is applied to allot shares pursuant to a pre-emptive offer.

Accordingly, Resolution 6 proposes to authorise the Directors to allot shares up to an aggregate nominal value of €1,485,761 (representing approximately 66.66% of the issued ordinary share capital of the Company (excluding treasury shares) as at 5 p.m. on 24 March 2023) of which any allotment in excess of €742,881 (representing 33.33% of the issued ordinary share capital of the Company (excluding treasury shares) as at 5 p.m. on 24 March 2023, shall be applied to allot shares pursuant to a pre-emptive offer.

The Directors have no current intention of exercising this authority. If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on

the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

This resolution is a common one at annual general meetings of companies listed on the main markets of Euronext Dublin and/or the London Stock Exchange and is in line with institutional shareholder guidance.

Resolutions 7 to 11 of the Notice of AGM are proposed as special resolutions.

Resolutions 7 and 8: Disapplication of statutory pre-emption rights in certain circumstances

The Companies Act 2014 sets out pre-emption rights for members where new equity securities (essentially ordinary shares in the case of the Company) are to be allotted for cash. The Companies Act 2014 also provides for these pre-emption rights to be modified or disapplied. The London based Pre-emption Group has issued guidelines for such modifications or disapplications.

These guidelines were revised in November 2022 and Resolutions 7 and 8 are in terms consistent with these guidelines.

Accordingly, Resolution 7 is asking members to renew the Directors' authority to disapply the strict statutory pre-emption provisions in certain circumstances, being: (i) rights issues, open offers or other pre-emptive offers and subject thereto by way of placing or otherwise of any shares not taken up in such issue or offer; and/or (ii) for allotments (other than by way of pre-emptive offers) up to an aggregate nominal value of €222,886 which represents 10% of the total nominal value of the Company's issued share capital (excluding treasury shares) as at 5 p.m. on 24 March 2023; and/or (iii) the allotment of equity securities pursuant to the Company's employee share scheme for the time being in force; and/or (iv) for allotments (other than allotments made pursuant to paragraphs (a), (b) or (c) of Resolution 7) of up to a nominal amount equal to 20% of any securities issued pursuant to paragraph (b) of Resolution 7 from time to time and made in accordance with paragraph 3 of Part 2B of the Pre-emption's Group Statement of Principles (the "Pre-emption Principles").

Resolution 8 is asking members to authorise the Directors to disapply the strict statutory pre-emption provisions in

additional circumstances, being (a) for allotments (other than by way of pre-emptive offers) up to an additional aggregate nominal value of €222,886 which represents a further 10% of the total nominal value of the Company's issued share capital (excluding treasury shares) as at 5 p.m. on 24 March 2023; and (b) for allotments (other than allotments made pursuant to paragraph (a) of Resolution 8) of up to a nominal amount equal to 20% of any securities issued pursuant to paragraph (a) of Resolution 8 from time to time and made in accordance with paragraph 3 of Part 2B of the Pre-emption Principles.

The Board confirms:

(a) in relation to Resolution 8(a) that it intends that any use of this authority would be only in connection with an acquisition or specified capital investment within the meaning of the Pre-emption Principles. For this purpose and reflecting the Pre-emption Principles, an acquisition or specified capital investment means one that is announced contemporaneously with the issue of share capital, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue;

(b) in relation to Resolutions 7 and 8 generally, that it intends to follow the shareholder protections set out in Part 2B of the Pre-emption Principles; and

(c) in relation to Resolutions 7(d) and 8(b), that it intends to follow the expected features of a follow-on offer set out in paragraph 3 of Part 2B of Pre-emption Principles.

If adopted, each of these authorities will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

These resolutions are common at annual general meetings of companies on the main markets of Euronext Dublin and/or the London Stock Exchange and are in line with institutional shareholder guidance and in particular with the Pre-emption Principles.

Resolution 9: Authorisation of market purchases of the Company's shares

Resolution 9 is asking members to give the Company (and any of its subsidiaries) the authority to make market purchases

and overseas market purchases of its issued shares provided that the maximum number of shares authorised to be acquired shall not exceed 10% of the issued share capital of the Company (excluding treasury shares) as at the date of passing of Resolution 9. If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

While the Directors do not have any current intention to exercise this power, this authority is being sought in accordance with common practice of companies on the main markets of Euronext Dublin and/or the London Stock Exchange.

If used, such purchases would be made only at price levels which the Directors considered to be in the best interests of the members generally, after taking into account the Company's overall financial position.

In addition, the authority being sought from members will provide that the minimum price (excluding expenses) which may be paid for such shares shall be an amount not less than the nominal value of the shares and the maximum price will be the higher of:

(a) 5% above the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and/or the London Stock Exchange (as the case may be depending on where the purchase is carried out), in each case for the five business days prior to the day the purchase is made (the "Market Purchase Appropriate Price"), or if on any such business day there shall be no dealing of ordinary shares on the trading venue(s) where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; and

(b) the amount stipulated by Article 3(2) of the Commission Delegated Regulation (EU) 2016 / 1052 relating to such regulatory technical standards for the conditions applicable to buy-backs and stabilisation (being the value of such an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade; and (ii) the highest current independent purchase bid for any

number of such ordinary shares on the trading venue(s) where the purchase pursuant to the authority conferred by Resolution 9 will be carried out).

Resolution 10: Authorisation for the re-allotment of treasury shares

Resolution 10 is asking members to give the Company the authority to re-allot treasury shares pursuant to Section 1078 of the Companies Act 2014 and the re-allotment price range at which treasury shares may be re-allotted is as follows:

(a) the maximum price at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the Treasury Share Appropriate Price (as defined below); and

(b) the minimum price at which a treasury share may be re-allotted off-market shall be the nominal value of the share where such share is required to satisfy an obligation under an employee share scheme or in all other cases shall be an amount equal to 95% of the Treasury Share Appropriate Price (provided always that no treasury share shall be re-allotted at a price lower than its nominal value)

If adopted, this authority will expire at the conclusion of the next annual general meeting of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier), unless previously varied, revoked or renewed. (For the purpose of the resolution, "Treasury Share Appropriate Price" means the lower of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-allotment is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable).

Resolution 11: Notice of General Meetings

Resolution 11 allows the Directors to call a general meeting (other than the annual general meeting or a meeting for the passing of a special resolution) on 14 clear days' notice where the purpose of the meeting is solely to consider one or more ordinary resolutions.

Section 1102 of the Companies Act 2014 provides that on an annual basis a company may pass a resolution such as this Resolution 11 to preserve its flexibility to call certain extraordinary general meetings, where appropriate, using the shorter notice period (14 clear days).

The Company confirms that it will only use the shorter notice period where it is in the interests of the members to do so and where the flexibility is merited by the purpose of the meeting. If passed, this authority will be effective until the next annual general meeting of the Company, when it is intended that a similar resolution will be proposed.

This Resolution is a common one at annual general meetings of Irish companies on the on the main markets of Euronext Dublin and/or the London Stock Exchange.

Recommendation

Your Board of Directors unanimously recommends that you vote in favour of each of the resolutions to be proposed at the AGM.

Yours faithfully,

John Hennessy
Non-executive Chair

and/or

(b) the allotment of equity securities up to a maximum aggregate nominal value of €222,886, which represents 10% of the issued share capital of the Company (excluding treasury shares) as at 5 p.m. on 24 March 2023;

published by the Pre-Emption Group in November 2022.

8. Subject to and conditional upon Resolution 6 of this Notice of AGM being passed and in addition and without prejudice to or limitation of any power and authority granted under Resolution 7 of the Notice of AGM, pursuant to Sections 1022 and 1023(3) of the Companies Act 2014, the Directors be and are hereby generally and unconditionally authorised to allot equity securities (within the meaning of Section 1023(1) of the Companies Act 2014) for cash pursuant to the authority to allot relevant securities conferred on the Directors by Resolution 6 of this Notice of AGM as if Section 1022(1) of the Companies Act 2014 did not apply to any such allotment, such power to be effective from the time of passing this Resolution and shall expire at the conclusion of the next annual general meeting of the Company after the passing of this Resolution or midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier) unless and to the extent that such power is renewed, revoked, or extended by special resolution prior to such date but in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired; and:

(a) such power shall be limited to the allotment of equity securities up to a maximum aggregate nominal value of €222,886 which represents 10% of the issued share capital of the Company (excluding treasury shares) as at 5 p.m. on 24 March 2023 and the net proceeds of any such allotment are to be used for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other specified capital investment of a kind contemplated by the Statement of Principles on Disapplying the Pre-Emption Rights published in November 2022; and

(b) other than pursuant to paragraph (a) of this Resolution, such power shall be limited to the allotment of equity securities up to a nominal amount

equal to 20% of any allotment of equity securities from time to time made pursuant to paragraph (a) of this resolution, such authority to be used only for the purposes of making a follow-on offer which the Directors determine is substantially similar to the kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights published by the Pre-Emption Group in November 2022.

(a) the maximum number of ordinary shares authorised to be acquired shall not exceed 10% of the ordinary share capital in issue in the Company (excluding treasury shares) as at 5 p.m. on the day on which this Resolution is passed;

(b) the minimum price (excluding expenses) which may be paid for any ordinary share shall be an amount equal to the nominal value thereof;

(c) the maximum price (excluding expenses) which may be paid for any ordinary share shall be the higher of:

(i) 5% above the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and/or the London Stock Exchange (as the case may be depending on where the purchase is carried out), in each case for the five business days prior to the day the purchase is made (the "Market Purchase Appropriate Price") or if on any such business day there shall be no dealing of ordinary shares on the trading venue(s) where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; and

(ii) the amount stipulated by Article 3(2) of Commission Delegated Regulation (EU) 2016/1052 relating to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (being the value of an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade, and (ii) the highest current independent purchase bid for, any number of ordinary shares on the trading venue(s) where the purchase pursuant to the authority conferred by this Resolution will be carried out);

(d) such authority shall expire at the conclusion of the next annual general meeting of the Company after the date of passing this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier), unless previously varied, revoked or renewed by special resolution in accordance with the provisions of Section 1074 of the Companies Act 2014, provided that the Company may, before such expiry, enter into a contract for the purchase of ordinary shares which would or might be executed wholly or partly after such expiry and may complete any such contract as if the authority conferred hereby had not expired.

10. That, for the purposes of Section 1078 of the Companies Act 2014, the re-allotment price range at which any treasury shares (as defined by Section 106 of that Act) for the time being held by the Company may be re-allotted off-market shall be as follows:

(c) for the purposes of sub-paragraphs (a) and (b), the expression "Treasury Share Appropriate Price" shall mean the lower of the average of the closing prices of the Company's ordinary shares taken from the main market of Euronext Dublin and the average of the closing prices of the Company's ordinary shares taken from the main market of the London Stock Exchange, in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-allotment is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable.

The authority hereby conferred in this Resolution 10 shall expire at conclusion of the next annual general meeting of the Company after the date of passing this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier), unless previously varied, revoked or renewed by special resolution. The Company may before such expiry make a contract for the re-allotment of treasury shares which would or might be wholly or partly executed after such expiry and may make a re-allotment of treasury shares pursuant to any such contract as if the authority hereby conferred had not expired

11. That, subject to and in accordance with Section 1102 of the Companies Act 2014, the Directors of the Company be and are hereby generally and unconditionally authorised to call a general meeting, other than an annual general meeting or a meeting for the passing of a special resolution, on not less than 14 clear days' notice (as defined in the constitution of the Company).
